

ARTIST OFFERS COLOR MEDITATION, LANDSCAPE PAINTING CLASSES

CONTEMPORARY ARTIST LORETTA DOMASZEWSKI, WHO has taught all ages and levels locally and nationally for three decades, presents her annual Spring Adult Color Meditation Painting Course, plus a six-week Landscape Painting Start to Finish Class, both beginning in March.

In the Color Meditation class, explore the characteristics of earth, fire, air, water and space, our five senses, color symbolism and music, and create beautiful transparencies through guided, non-representational painting with natural mineral pigments and fluid watercolor techniques. It's calm, relaxing fun, with no painting experience necessary. All materials included. The class meets from 5:30 to 8:30 p.m. for five Mondays from March 28 to April 25.

A solid foundation in drawing is key to a successful landscape painting, and the six-week Landscape Painting Course covers essential art elements and painting techniques to build strong compositions. Drawing materials included; painting material list available. Two class times are offered for six Tuesdays from March 22 to April 26. The morning class meets from 9 a.m. to noon; the evening class from 5:30 to 8:30 p.m.

All classes are at Loretta Domaszewski Fine Art Studio, 111 S. Grand Ave., West Wing Second Floor Studio #257. For more details and to register visit www.LorettaFineArt.com, email lorettafineart@me.com or call 406-539-9528.
