Bozeman, MT 59715

BFA, Boston Museum School of Fine Arts, Tufts  
University

Painter/Sculptor  
Born 1957

"Life is not an ongoing journey. My art work reflects the physical, spiritual, and psychological aspects of the journey. Nature speaks: we respond, interpret, transcend, absorb its smells, sounds, colors, and movement. We touch its life. It is this life I wish to express."

Earthbound 44" x 66" Mixed Media on Canvas
